

Giving Guide

The principle of “tithing” has biblical origins, donating a tenth of your salary to the Church or other good causes. The following table is designed to help you easily see what this means in terms of a regular **monthly** donation for various levels of income. It also shows the 5% recommended as a donation to the Church of England and 1% to help you scale a donation which feels right for you.

Net Annual Income	Net Monthly Income	Monthly Donation		
		10%	5%	1%
£5,000	£417	£42	£21	£4
£10,000	£833	£83	£42	£8
£20,000	£1,667	£167	£83	£17
