

Stapleford - Nachingwea Link

THE Link Committee has sent condolences to everyone in Nachingwea on the death in March of their President, Dr John Pombe Magufuli. Magufuli was the son of a peasant farmer and went on to become Tanzania's president in 2015.

To mark the occasion the Tanzanian flag was flown at half-mast over St Andrew's Church.

On a happier note we'd like thank all who recently purchased Traidcraft goods through Romie Ridley, enabling her to donate £300 from the profits towards the library for Nambambo Secondary School. **Trish Maude**
