

May Bank Holiday Lunch

A HUGE thank you to all who donated, contributed food or came and enjoyed the wonderful buffet at the Nachingwea Lunch on the early May Bank Holiday Monday in aid of our Nachingwea Link. This has become a keenly anticipated annual social occasion in the village for both residents of Stapleford and wider afield..

The expectant diners were hoping to sample Michelin style cuisine from the Stapleford Link team of would-be MasterChefs. And they were not disappointed. A wide range of dishes including Coronation Chicken to mark the big event a few days later plus a variety of quiches and salads followed by delicious desserts was served, all greeted with oohs! and aahs! of appreciation.

An added bonus was the sale of home-made marmalade and a Tombola, both of which proved extremely popular.

Over £1,450 (that's £200 more than last year) was raised which will be used both to provide school uniforms for the Special Needs children made by the ladies who benefitted from the tailoring course we sponsored recently, and to support students on educational courses.

Our photos (courtesy of Bill French) below and overleaf show some of the happy diners. **Mary Cooper**

Easter service at St Andrew's, Nachingwea

THE photos on this page and the following two pages are of the Easter festival in Nachingwea which was attended by many believers from different churches (Photos from Kevin Bushiri).
