

## Quiz night at the Three Horseshoes

DO you know your Opossums from your Possums? What links BritPop band Blur and virtual group Gorillaz? Can you name THREE prime ministers from the 19th century?

Don't worry if you struggled with any of the above – as they WON'T be in the fundraising Nachingwea Quiz taking place on Monday 15 April at The Three Horseshoes in Stapleford.

But there WILL be six rounds of questions to stretch the old grey matter, with questions for everyone from 18 to 88.

The money raised will go to support projects run locally in Nachingwea in Tanzania.

It promises to be a great night out, so we hope to see you there with your fingers on the (metaphorical) buzzers!

Booking recommended! Please email Nicky West on [nicolawest14@gmail.com](mailto:nicolawest14@gmail.com) or text 07783 461074 with your team name and
