

THE Stapleford Link has been raising funds for various projects in Nachingwea thanks to the generosity of our supporters. For example we have had the May Bank Holiday lunch and the Quiz in the past couple of months where we have received very generous donations.

The funds have now arrived in Nachingwea and are being distributed to many projects.

The Nachingwea Link Chair, Kevin Bushiri, has written to thank us:

“Thanks for the funds. We have already given all responsible people who are supervising different projects. They all give their great thanks to you all for the support. Special thanks from our Priest in charge Rev Yusuf Masimosya and Assistant Rev Nickson Kantaule. They give their gratitude to Link not only for Sunday school's fund but also for other projects.

Once again we thank all our generous donors - without your help none of this would be possible.
